Malahide Castle and Gardens

Explore the 800-year-old castle with a guided tour designed especially for primary school students. See the rooms where the Lords and Ladies of Malahide have lived for hundreds of years, hear tales of battles and banquets, and learn more about the infamous Malahide Castle ghosts!

There's plenty of fresh air to be had on our West Lawn as younger students use the fully interactive booklet to complete our fun woodland Fairy Trail, or see how many of the 20 different species of butterfly your pupils can spot in the only Butterfly House in the Republic of Ireland.

Malahide Castle Pass

Guided Castle Tour, Fairy Trail, Butterfly House

€7.50 per pupil

4 hours

Malahide Outdoor Adventures

Fairy Trail, Butterfly House

€6 per pupil

3.5 hours

Please note: tour times include a one hour break for lunch/snacks

If you'd like a member of the Malahide Castle team to guide your class through the Fairy Trail and Butterfly House, this is available at an additional cost of €60 per class (max. 35 students)

Newbridge House and Farm

Newbridge House and Farm is tucked away on 365 acres of green parkland in Donabate, North County Dublin. Over 300 years old, the Georgian mansion is full of secrets and stories which our dedicated tour guides are waiting to share with your class.

The traditional farm – home to pigs, goats, ducks, horses, donkeys, chicks and much more – is a working farm promoting compassionate farming methods, respect for all animals and sustainable biodiversity.

These are important lessons which we are excited to share with our young visitors through the brand new interpretive area. In the park and nearby playground there's plenty of room to run around, enjoy a picnic lunch and burn off some energy with outdoor activities.
